FOREWORD

The popularity of Shorthorn cattle is increasing everywhere. They are the leading beef breed in most countries today. Commercial cattlemen throughout the whole United States have much respect for Shorthorn feeder cattle. They have either experienced their gaining ability or are aware of this gaining and doing ability. All feeding tests and experiments on doing ability carried on recently by various colleges and feed companies proved Shorthorns fast gainers.

Shorthorns have proved themselves many times over to be efficient and profitable. Their thriftiness is gratifying, their adaptability is unsurpassed, their greater weight for age is inherited and their ability to start strong, robust calves toward early maturity adds still another advantage to their long list of recommendations as the ideal beef breed.

This sale offering is composed of bulls and females capable of increasing your potential farm profits . . . hand-picked animals that best represent the continuous strides made by modern type Shorthorns.

You, and your friends are cordially invited to attend this sale.

COLUMBUS GROVE SHORTHORN BREEDERS' ASSN.

Ned W. Place, Sale Mgr.

Wapakoneta, Ohio

General Information

TIME—Saturday, September 11, 1954. Sale at 1:00 p. m.

LOCATION—The Sale will be held at the Fairgrounds, Ottawa, Ohio. Located 25 miles north of Lima, Ohio, on Route 65.

GUARANTEE—The guarantee recognized by the American Shorthorn Breeders' Association will cover the cattle sold. The guarantee is printed in full, in back of this catalog.

HEALTH—All animals are sold with health certificates to comply with the laws regulating Tuberculosis and Bang's Disease.

TERMS—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off. The management will attend to loading on cars or trucks in compliance with instructions from purchasers.

REGISTRATION—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

FOOTNOTES—Where footnotes appear in this catalog, they were furnished by the consignors or were written from information supplied by the consignors.

NO LIABILITY—The sale management will not be responsible for any accidents that may occur, but every effort will be made to provide for the safety and comfort of guests.

MAIL BIDS—May be sent to the Sale Manager or to the Auctioneer.

SALE MANAGER—Ned W. Place—Box 37—Wapakoneta, O.—Telephone 27925.

AUCTIONEER—Stan Perkins, Swartz Creek, Michigan.

LUNCH—Lunch will be served on the grounds.

ELMDOWN WONDER—Is a lowset thick bull. Naturally, you would expect to see an excellent bull from the Royal Leader—Drynie Wonder cross. He is the first calf sired by our herd sire Willow Lee Wonder 10th. This bull should make some one a modern herd sire. His grandsire Drynie Wonder sired the first prize get-of-sire at the last two Internationals.

Lot 3—Bull

STANDARD GUARANTEE

OF

AMERICAN SHORTHORN BREEDERS

ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction. All animals sold in this sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
